

NEUROCOUGH Newsletter

18th October 2024

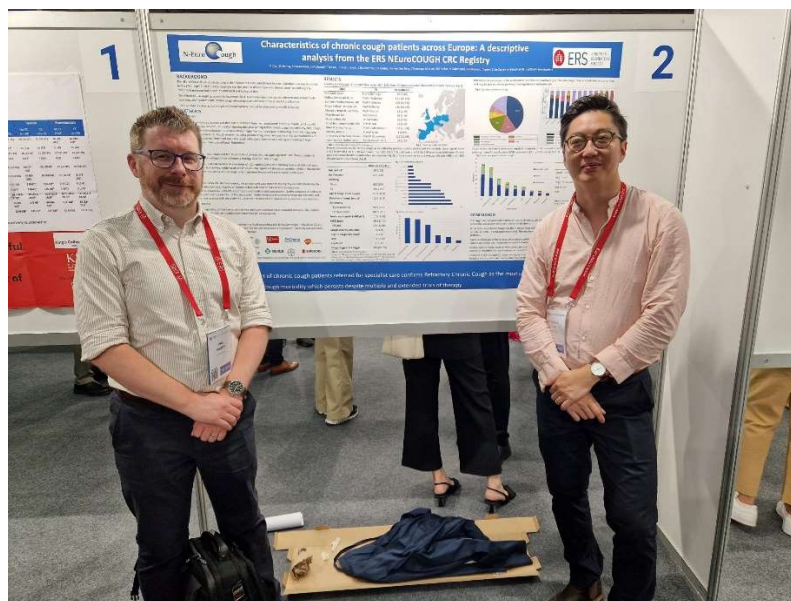

ERS 2024!

The ERS Congress 2024 took place in the stunning city of Vienna from the 7th to 11th of September and was a fantastic success. The NEuroCOUGH meeting held on the 8th was a great chance to present what we have achieved so far, what the future holds for this thriving study and gave delegates an opportunity to chat and ask questions of our presenters.

Prof Lorcan McGarvey welcomed everyone to the meeting before handing over to the presenters, Dr Sean Parker, Dr Peter Cho, Prof Alyn Morice and Prof Woo-Jung Song, Claire Williams and a presentation from Prof Surinder Birring.

The keen interest shown from possible new sites has now been progressed to the stage of onboarding and these sites should be actively recruiting soon.

Poster presentation at the ERS Congress 2024 Dr Peter Cho

Recruitment Update

Currently 951 patients have been recruited to the registry and a further 342 have returned for the 12-month follow-up appointments.

With 12 sites open and a possible 8 more to join NEuroCOUGH 2025 is shaping up to be a busy and productive year!

Chronic Cough Patient Conference 2024

The upcoming ELF conference on *Chronic Cough* will be held on the 26th of October from 11:00 – 13:30 CEST (10:00 – 12:30 BST) and you can register here:

<https://europeanlung.org/en/get-involved/events/chronic-cough-patient-conference-2024/>

With a full schedule including presentations and Q&A panels.
Programme available:
