

Patient Organisation Day 2021: Thursday 2 September 10:30 – 15:45 CEST

Title: Digital health: the role of patients and their health care teams in the future of healthcare.

Aim: To share and learn from our experiences so as to understand the benefits and challenges of digital healthcare for patients and how patient organisations can take an active role in this changing environment.

Note: Timings are in CEST (Central European Summer Time) - adjust for your timezone.
