

#BreatheCleanAir Advocacy social media kit

Please see below some draft social media messages you can post to help support our campaign.

Social media stream	Support our campaign in the EU	Support our campaign globally	Handles to add	Hashtags
Facebook	<p>Everyone deserves the right to #BreatheCleanAir which is why I am using my voice to ask politicians across the EU to stop the 500,000 people a year dying in Europe from air pollution and support the AAQD. Join me alongside hundreds of healthcare professionals and scientists, and support Healthy Lungs for Life by contacting your local politicians today. Follow this link for more info</p> <p>Image</p>	<p>Everyone deserved the right to #BreathCleanAir which is why I am using my voice to ask politicians around the world to stop the 6 million deaths each year from air pollution. Join me alongside hundreds of healthcare professionals and scientists and show your support for Healthy Lungs for Life by contacting your local politicians.
