

05 NOVEMBER 2024  
10:00-16:00 CET  
ONLINE CONFERENCE

## PATIENT CONFERENCE: ALPHA-1 ANTITRYPSIN DEFICIENCY 2024

Join us 10:00-16.00 CET for our free, online Alpha-1 antitrypsin deficiency patient conference. This will include live presentations and discussion from patients and professionals on the basics and latest developments in Alpha-1.

The conference will be held in English. A live transcription service will allow participants to generate captions in over 50 languages.

Help us spread the word and get involved in the discussion on social media **#Alpha1PatientConference2024**
